

I Don't Want To Change The World (Demo)

Ozzy Osbourne

Standing at the crossroads, world spinning round and round
Know which way I'm going, you can't bring me down
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
You telling all the people the original sin
He says he knows you better than you'll ever know him I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me You know it ain't easy
You know it ain't fair
So don't try to please me
Because I really don't care Don't tell me stories 'cause yesterday's glories
Have gone away, so far away
I've heard it said there's a light up ahead
Lord I hope and pray I'm here to stay Tell me I'm a sinner I got news for you
I spoke to God this morning and he don't like you
Don't you try and teach me no original sin
I don't need your pity for the shape I'm in I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me I don't wanna change the world
I don't want the world to change me
I don't wanna change the world
I don't want the world to change me
