

# Road Less Traveled

Lauren Alaina

Why do you keep on staring?  
That mirror, mirror, it ain't fair at all (mmh)  
Dress sizes can't define, don't let the world decide what's beautiful  
No You won't make yourself a name if you follow the rules  
History gets made when you're acting a fool  
So don't hold it back and just run it  
Show what you got and just own it  
No, they can't tear you apart If you trust your rebel heart, ride it into battle  
Don't be afraid, take the road less traveled  
Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on  
Oh, ooh whoa, oh, ooh whoa  
Take the road less traveled on Don't follow anyone  
March to the rhythm of a different drum (mmh)  
Why do we analyze, break out, and criticize the crazy ones?  
Oh You won't make yourself a name if you follow the rules  
History gets made when you're acting a fool  
So don't hold it back and just run it  
Show what you got and just own it  
No, they can't tear you apart, no If you trust your rebel heart, ride it into battle  
Don't be afraid, take the road less traveled  
Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on  
Oh, ooh whoa, oh, ooh whoa  
Take the road less traveled on  
Oh, ooh whoa, oh, ooh whoa  
Take the road less traveled on Put your hands up, show me that you're one of a kind  
Put your hands up, let me hear your voice tonight  
Oh If you trust your rebel heart, ride it into battle  
Don't be afraid, take the road less traveled  
Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on If you trust your rebel heart, ride it into battle  
Don't be afraid, take the road less traveled  
Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on  
Oh, ooh whoa, oh, ooh whoa  
Take the road less traveled on Wear out your boots and kick up the gravel  
Don't be afraid, take the road less traveled on Traveled on

Take the road less traveled on
