

Cashmere

New Boyz

Intro-

Wait hold up J you see that chick

Which one

Right there with them big ass lips

Goddamn

Uh huh

How she get so thick?

I bet she used to be skinny until she got some

Diss my girl again lil homie why you talk that ish

I'mma go game her up and take her back to the crib

Waiting for me

Naw bro

But she no the bizz

Yeah right

Real talk watch a pro do this Verse 1-

Um excuse me girl

Your style is dope

You got swag too

Noticed that a while ago

My name is Legacy and it's my first day here

I was wondering if you could be my first date here Verse 2-

Um ha...Excuse my friend

He's kinda new to meeting girls cause he used to men

Used to men?

Girl, this dude is stupid huh?

Yo I ain't gay

Man, why don't you tell the truth for once

She want me

You don't even got a mustache yet

If you don't shut the hell up with your buff as neck, so any way wait hold up, see you made her pissed ayyo

come back before You leave girl lemme tell you this Chorus-

Cashmere (cashmere) Cashmere (cashmere)

You know I'm really diggin' your style

Cashmere (cashmere) Cashmere (cashmere)

All I wanna do is see you smile

Cashmere (cashmere) Cashmere (cashmere)

You don't need that dude Ben J

Cashmere (cashmere) Cashmere (cashmere)

But yeah you wanna be my babe Verse 3-

See it's like this
5'11, with good sex, and unpredictable
and keep them girls guessing
you know that Earl was the bomb
I'm make ya Oprah plans
I got the world in my palms
Now come hold my hands Verse 4-
Nah bro
5 foot 8
Swipe size great
Long as hell I could make you lose weight
but your body off the chain
Make me wanna scream
Even Keyshia and The Game ain't even feel that much pain
That was lame
You a lame
Yo mama
Say what
Nothin' Verse 5-
But ye come here girl lemme give you some McLovin
I'm feeling you a lot you the baddest thing yet
And my lovin' big enough
That's what she said
Can you stop
Stop what she looking border than me
And you looking like a Hobbit off the Lord of the Rings
Damn now think whats important to me
Ayyo where you going girl
I got some more on my sheet Chorus-
Cashmere (cashmere) Cashmere (cashmere)
You know I'm really feeling your swag
Cashmere (cashmere) Cashmere (cashmere)
I want me and you to make it last
Cashmere (cashmere) Cashmere (cashmere)
Legacy who? All you need is J
Cashmere (cashmere) Cashmere (cashmere)
But yeah you wanna be my babe Verse 6-
He a dog girl
All he do is run and smell
You want a buff Nick Cannon
Or a young LL
That's the point I'm tryna make
Cause he dumb ass hell
And I could make you fall in love after one quick meal
Then she stopped, paused, stared in my eyes

And for the first time moved her mouth to reply
She said that she kissed a girl and she liked it
And ever since then I knew she was a full blood dike chick Whaat, wha, wait did she just, what she say, wha
Hell nah Cashmere (cashmere) Cashmere (cashmere)
That's why yo breath stink
Cashmere (cashmere) Cashmere (cashmere)
What the hell's wrong with yo teeth?
Cashmere (cashmere) Cashmere (cashmere)
When I said that I liked you I lied
Cashmere (cashmere) Cashmere (cashmere)
I'm over here uncross your eyes Ending-
Ayyo don't get me wrong though. We love lesbians...Just not you.
