

# ChÃ©rie

## Klaatu

You're the answer to my question  
You're the theme of my every whim  
You're the highlight of my invention  
Tell me whether I sink or swim  
Cherie be my cherie  
Marry me my Cherie

In the twilight come to my right  
Chase the dark away when it comes  
Cherie won't you stand to my right  
Have our memories just begun

Cherie be my cherie  
Marry me my Cherie

Everything's ours if we want it together  
Everything's here if we want it to be  
Come bring me flowers and bring me a feather  
I'll bring you presents and bring you your tea

Cherie be my cherie  
Marry me my Cherie
