Beautiful

Social Code

People always try and put me down
But I, I don't ever give a fuck what people say
I try and listen to the voice inside my head
I try, I try, I try[Chorus]
I feel so Beautiful today
babababababadaba
You're just so typical
You can't break meI'm not ever gonna fall in line
cause I, I don't wanna be another plastic mind
I try to listen to the voice inside my head
I try, I try, I try[Chorus 2x]
I feel so Beautiful today
babababababadaba
You're just so typical
You can't break meI feel so Beautiful today
babababababadaba
You're just so typical
You can't break meYou're just like everybody
Why would I wanna be like you?1,2,3,4[Chorus 2x]
I feel so beautiful today
babababababadaba
You're just so typical
You can't break meI feel so beautiful today
babababababadaba
You're just so typical
You can't break me(babababababababababa)
