

Gangsta Of Love

Geto Boys

Willie D

I've never been played by a ho!
If the bitch is acting stupid,
She's got to go!
Some muthafuckers get sad
If she fucks with me, I'ma kick her little monkey ass!
See you hoes got it wrong!
think since a nigga say he loves ya, he ain't strong.
Bitch you takin' shit the wrong way
And I can tell right now. It's gonna be a long day!

Bushwick Bill

I got to educate you brothas
If the bitch won't give up the play
fuck her!
Move along to the next trick.
See I'm the type a nigga that tell a ho
"suck dick!"
what if she's not suckin'
That's a waste of time, conversation and my fuckin'
I just put my fuckin pants on
And tell the idiotic freak
to take her tramp ass home!

Scarface

Cause I don't need a fuckin dummy
I need a bitch to lick nuts
until my dick is cummin'
And after that, you'll earn your gloves
HA HA... Just call me the gangster of love.

Willie D

I like bitches
All kind of bitches,
To take off my shirt

and pull down my britches
If shes got big tities
I squeeze 'em and hold'em
while she suck my dick and lick my scrotum

Bushwick Bill

And If she got a friend I'll fuck her too
Together we can play a game of switcheroo
I ain't the type who gets all mushy
I like to sit back
and watch them eat each other's pussy!
Weak people might say we're insane
But that's the other fuckin' level of the game
I'll turn your sister out if she fucks with me
You want to know my identity???

Bushwick Bill

Bitches look at me like I'm a faker
Knowing goddamn well
I'm a mutherfuckin heartbreaker!
I'll have them crying for months
Cause I done fucked their best friends
and put a whipping on their cunt
They have their mothers to call
but, if you fucked one mom,
You done fucked them all
And I really don't give a fuck
Cause if your mom offers me the pussy
she's stuck

Scarface

Now thats the type of nigga I am,
I'm always game to run a train, god-damn...
six different hoes a night,
i use lubricated rubbers, to make the pussy feel right
better safe then be a victim,
if ya got a jimmy hat, go ahead and dick em.
I put the pussy in its place,
and right before i nut, i pull it out, then to the face,
and tell the bitch to keep suckin
and prepare herself for her first butt fuckin.
Then when i'm done, straight to the tub, haha...

Just call me the Gangster of Love.

Willie D

I'm a mother fucker, i put a bitch to the test
if she dont pass, she dont get blessed.
If the test consists, of fucking my whole crew.
then bitch, god-damn, thats what you gotta do.
You say you wanna be down with Willie-D,
but yet you find it difficult to listen to me,
everytime you fuck up and skip a class,
imma put my god-damn foot in your ass.

Scarface

And if your father wants to buck-up,
I'll beat the wrinkles out that old mothafucka.
I treat a bitch like a queen,
but she has to realize I'm the goddamn king.

Bushwick Bill

Some jealous punk in town,
told my girl i was fucking around, and she's still down.
to do the same, you gotta have game,
you wanna know my name?

Say bill,
wassup B
all the hoes mad at us cause we aint paying for the pussy
and fighting over their asses and shit
AHAHAHA
but thats the other level of the game again
damn straight
say man, while we on the subject of hoes,
what ever happened to that hoe you used to fuck with named cathy

Bushwick Bill

Oh cathy, that hoe was hot,
the first piece of pussy that i ever got.
she fucked me til i was cummin,
put my nuts in her mouth, and started hummin.
i said, shit, um its ejecting.
she started scratching my dillbag and said hold up a second.

turn me over on my back gold,
opened up my butt cheeks and started lickin out my asshole.
thats why i guess that im the gangsta.
and oh ya, cathleen johnson, sweetheart, i'd like to thank ya.

Scarface

Little hoes out there are getting stuck,
by niggaz like me and we really dont give a fuck.
big ass titties and a sexy switch,
whatever you got, you deserved it bitch.

Willie D

See, ah, i like to take em fast,
act like i love em, and dog ther mothafuckin ass.
like for instance miss P,
the bitch ran a game and tried to fuck over me.
but i assisted in the makin,
talking bout she pregnant.
"For you or that jamaican"?
She said me of course,
so i drug her little ass like a mother fuckin horse.
thats what you get for trying to play me,
i'll kick a bitch smack dead in the ass, if she ever say we,
made a kid when i make it,
I'll grab her by her motherfuckin' neck
and try to break it!
Cause I knew I wore a fucking glove
You know who you fuckin with bitch???
just call me the Gangsta of love.
