

Can't Let Go

Roxy Music

Well, I rush out blazin', my pulse is racin'
As the rain streams down my face
There's no turning back now to fight with fate
Outnumbered, out of place They said, "Go west young man, that's best
It's there you'll feel no pain"
Bel-Air's okay if you dig the grave
But I want to live again Can't let go, there's a madness in my soul tonight
Can't let go, must ride like the storm
Can't let go, will I run out of control tonight?
Can't let go Until every trace is gone, it's a winding road from Cuesta way
Down sunset to the beach
Though Canoga Park is a straight safe drive
It's too far outta reach But now the headlights are flashin' by so fast
All directions seems the same
And the windscreen wipers keep a beat repeatin'
You can't let go again What's in a name on the street tonight
I'm only a face in the crowd
All in the dark and afraid tonight
Nowhere to run or to hide But I can't let go, sometimes the world outside'll take you in
With just a smile and you so blinded with desire
A hundred sleepless nights have left me
Wasted and so cold but I can take it, I'm hangin' on Can't let go, there's a madness in my soul tonight
Can't let go, must ride it like the storm
Can't let go, will I run out of control tonight?
Can't let go until every trace is gone
