

Show You the Way to Go

The Jacksons

Ooh, let me show ya
Let me show you the way to go
I don't know everything
But there's something I do know
I've read and heard a lot
And now we're ready to show
That we can come together
And think like one
Come together now, live together
Underneath the sun
Please let me show you
Let me show ya
Let me show you the way to go
Follow me my friend, hey, yeah
Let me show ya
Let me show you the way to go
Just put your trust in me
I'll try not to let you down
The job is hard to do
But only we can wear the crown
'Cause we can help each other to overcome
We can do it now

Rejoice everybody
And get the job done
Please let me show you
Let me show ya
Let me show you the way to go
Follow me
Let me show ya
Let me show you the way to go
Hey, yeah, ooh
Never let you down, oh, oh
Show you the way
Show you the way to go
Never let you down
Show you the way to go
I promise I will never let you down
We can do it, we can do it

Hey, yeah
I swear, I'll never let you down

Let me, let me, let me
Let me, let me, let me, let me
Let me, let me show you
