Role Play (interlude)

Joe Budden

Shit, goddamn is it tight
Shit baby, turn over turn over
Take that take that, look at look what you got
You got me doing Puff Daddy in this pussy
I'm Puffy in this pussy take that take that
The best pussy I've ever had
Like I must be jammed, I'm drinkin this pussy
Yea I'm giving love to this pussy, I'mma kill this pussy
Yea I'mma slow down, I'mma make that pussy bleed
Slaughterhouse this pussy
I'mma do the Hammer Dance
Uh that's some shit!
You like that yeah, I'm gonna cum for you
I'll cum for you right now
I'm cumming for you like you a enemy
Goddamn you tryna make me Big Sean in this pussy
Oh God, oh God
Big Sean in this shit
Oh shit this gon' be tough
God
Why the fuck you still going?
Alright, alright baby
Yea I'm bout to get in here, switch position for a minute
