Two Hearts Beat As One

H & Claire

Given up hopin' for a miracle
'Cause the way I understand it
Love always leaves you empty handed
So many times thought love was here to stay
But I would always end up without it
No sooner than I'd found it
You and I we're holdin' back tho' we both know
That it's time to let goSuddenly there's no more mystery
Feels like you're the other half of me
We've only just begun
But look what love has done
Our two hearts beat as oneNow I'm not afraid to take a chance
'Cause in your eyes there's no mistakin'
All the love that lies in waiting
Now I'm so sure of what I feel inside
And it makes no sense to fight it
'Cause you know love when you find it
You and I we're holdin' back tho' we both know
That it's time to let goSuddenly there's no more mystery
Feels like you're the other half of me
We've only just begun
But look what love has done
Our two hearts beat as oneAin't it funny now
You walk into the room anytime
Go from lost to found
You're the solid ground in my life
And for now it's enough just to know
That you're here by my side
By my sideSuddenly there's no more mystery
Feels like you're the other half of me
We've only just begun
But look what love has done
Our two hearts beat as one
