

Vaseline

Uppfade & Crown

This one's called Vaseline
When you're stuck like glue
Vaseline
When you need some goo, ah
When you're stuck like glue
Vaseline
When you're black and blue
Vaseline
La, la, la, la
La, la, la
La, la, la
When you're stuck like glue
Give me some
When you're stuck like glue
If you'd like to woo
Vaseline
La, la, la, la
La, la, la
La, la, la
If it's hard like you
Give me some
Do you need a clue?
I want some
Vaseline, Vaseline
Vaseline, Vaseline
Vaseline, Vaseline
