

Rocket to the Moon

Taran Gray

Verse 1:

On her desk she labors with scissors and paper,
Creating a world, a cardboard material girl,

And she paints a smile, she paints a smile, Verse 2:

But then here comes Vader with deathstar destruction paper,

And his plan is vile, his plan is vile,

Cardboard girl plasters on a scream,

Bookpage boy gets glued to the scene,

A pulp filled, confetti thrown victory, Chorus:

And then they rocket to the moo-oo-oo, oo-oo-oo-oon,

To the moo-oo-oon, moo-oo-oo-oon,

To the moo-oo-oo, oo-oo-oo-oon,

To the moo-oo-oon, moo-oo-oo-oon, They built a rocket to the moo-oo-oo, oo-oo-oo-oon,

To the moo-oo-oon, moo-oo-oo-oon,

To the moo-oo-oo, oo-oo-oo-oon,

To the moo-oo-oon, moo-oo-oo-oon, Verse 3:

The artist continues cutting, making garden gnomes running,

Filling up the book of Jane Austen and others,

Little tiny gnomes, don't touch the covers,

Then Schmo says to Schvem,

"Aye voy, not these books again,

give me a place that's far away,

I wanna go and roam, Chorus Bridge:
