## Naoki

Wystone Clinics, 1974  
Fathers talking shit  
Mother fucker slammed the door  
Hit the streets runningCannot take it anymore  
In the reins of a train, I cuddle on the floor  
In the apartment next door and sleeping here for free  
Little kid sitting in the shooting gallerySet your self up  
But in the system its a raid  
Oh this is what you want  
Not the way, what they fucking sayHanging out with Sid and a kid in the U.S.A.  
Sidney Sidney in the U.S.A.Lower east side, 1976  
Whos got the dope  
And whos gonna doing trips?  
Should I call a loser all for a fixRippin' off some lady  
Just to avoid from gettin' sick  
Well, I life moves slow  
When you got nowhere to goWhat the fuck happen to your son all alone  
Is he coming over? Is he coming home?  
Oh, mommas disappointed  
Waiting by the phoneHanging out with Sid and a kid in the U.S.A.  
Sidney Sidney in the U.S.A.Same fucking shit, 1998  
And mother fuckers that he hates  
Hates the fucking people  
But they cannot see straight  
Who got the crack, gonna seal his fateIn the apartment next door and sleeping here for free  
Little kid sitting in the shooting gallery set your self up  
But in the system its a raid oh, this is what you want  
I don't care, what they fucking sayHanging out with Sid and a kid in the U.S.A.  
Sidney Sidney in the U.S.A
