Book of Life

Dolly Parton

Is my name written there on those pages bright and fair
Is my name written in the book of life
If you want to be up there then down here you must prepare
And your name must be in the book of life
Get down on your knees and pray you from sin must turn away
Or your name won't be in the book of life
If you'll turn to Jesus now at his feet just humbly bow
Then your name will be in the book of life
[piano]
Don't you know that Christ was sent that from sin you could repent
So your name could be in the book of life
You will have a great surprise if you fell to recognize
That your name must be in the book of life
Get down on your knees and pray you from sin must turn away
Or your name won't be in the book of life
Don't delay and don't forget that from sin you could repent
Then your name will be in the book of life
Is my name written in the book of life
