

# Slick Slidin' Board

Daniel Antopolsky

Riding that perfect train of thought  
It wasn't allowed and I got caught  
Thrown in the laundry like a dirty cloth  
Welcome to the wild wild world

Stuck in the middle of a real shootout  
With the marshall and the sheriff and all the scouts  
Ran for cover from where the lawyers shout  
Welcome to the wild wild world

Too hazy to slide, slide, slide, slide, oh down  
A slick slidin' board  
Too lazy to climb, climb, climb, climb  
To where it takes the heart away  
Like an eagle over half-moon bay

Teacher said, "Count"  
I said, "A, B, C"  
For the alphabet I said, "1, 2, 3"  
Went down to the basement up the chimney  
Welcome to the wild wild world

Put my pants on backwards on my first date  
Never on time but always late  
I tried so hard to tempt the fates  
Welcome to the wild wild world

Too hazy to slide, slide, slide, slide, oh down  
A slick slidin' board, slick slidin' board  
Too lazy to climb (climb), climb, climb, climb  
To where it takes the heart away  
Like an eagle over half-moon bay

Fists went soft at the boxing bout  
Scared of my shadow when I heard it shout  
Messed up every opportunity  
Welcome to the wild wild world

A topsy turvy kaleidoscope  
All shapes and sizes dancing for hope

We got six billion people dangling on a rope  
Welcome to the wild wild world

Too hazy to slide, slide, slide, slide, oh down, down, down, down  
A slick slidin' board, slick slidin' board  
Too lazy to climb, climb, climb  
To where it takes the heart away

Like an eagle  
A soaring eagle  
Just like an eagle  
A majestic eagle  
Just like an eagle  
Like an eagle over half-moon bay
