Underwater

Goldroom

Who are you n where did you come from?
I love the way the sun hits your skin.
Funny how it feels your a part of it.
We ain't even barley begin
Is it stupid, that I lose control?
When you walk in, can't trust myself
When your talking, I remember how it started.
Am I crazy, I'm wading in.
And it's too deep, cuz I'm all in now.
And I can't breathe,
Like I found you underwater.(Chorus)
Hey! Good day!
Everybody everywhere.
Is in this place!
But I found you and I want you.
Hey! All day!
Can't deny it, you're so fine.
I don't even think I know your name.ooo ooo ooo ooo (x2)Who are you and who did you come with?
We should be more than just friends.
Would it be enough for the both of us.
If I really want to do this again.
Is it stupid, that I lose control?
When you walk in, can't trust myself
When I'm talking, I remember how it started.
Am I crazy, I'm wading in.
And it's too deep, if I'm all in now.
And I can't breathe,
Like I found you underwater.(Chorus)
Hey! Good day!
Everybody everywhere
Is in this place!
But I found you and I want you.
Hey! All day!
Can't deny it, you're so fine.
I don't even think I know your name.(Break)(Chorusx2)
Hey! Good day!
Everybody everywhere
Is in this place
But I found you and I want you.

Hey! All day!
Can't deny it, you're so fine.
I don't even think I know your name.
(I don't even think I got your name)I don't even think I got your name.Read more:
