Dave Matthews Band

Yeah, yeah I scream...

With you on my mind so heavy and so hard

I don't know quite everything

You make me think of a better thing...

Better things to fill my day with

But they don't mean to go

Please don't be too bad with me, God

Please don't be too good...

Let some women's light, women's light

Chain my hands with me singing...Hani, Hani, come and dance with me

Whoa, whoa, sooner there

Hani, Hani, come and dance with me

Only the brave

Hani Hani, come and dance with me

(feeling the night)

Hani, Hani, come and dance with me

Lead me back home to lifeYou made Heaven turn to dirt

And dirt turn to dance on

Heaven come my way

Baby surely do

Maybe some moonlight

Maybe some, baby surely do

Maybe some moonlight

Say this say this...Hani, Hani, come and dance for me

Underneath the moonlight

Hani, Hani, come and dance for meHani, Hani, come and dance for me

Come on, come on go

Hani, Hani, come and dance for me

Give it back, give it back....Oh man, i can't talk

A man was tall and once tore a piece of freedom for us all

When, then, you least expect it

Man can cut from of his own heart

For us all, that man

Don't believe it, oh yeah....

God, two men slice and dice eachother up in his place

They don't believe it...

Well leave it

Leave it lying, leave it lying, leave it lying

Got me singing

Hani, Hani, come and dance for me
