

# Johnny Hotrod

## Nashville Pussy

Well his name is Johnny Jr  
But his friends call him Hotrod  
And he's rummaging through  
An old Ford graveyard  
He's a dirt track demon  
Don't care what you say  
And he's working on a plan  
To blow 'em all away! He got a last minute sponsor  
From the Catfish Cafe  
Got drunk and hauled it down  
To Kentucky Motor Speedway  
But he was too coked up  
To wait for the starting flag  
So he flipped them all off  
and said "So long fags!" Well he crashed through the wall  
When he blew out his tire  
Took out the first row of ducks  
And set the stands on fire  
When they pulled him from the wreckage  
He said "Did I win?"  
They said "No you stupid boy  
Your just fucked up again!"
