

# Can You Stop the Rain

Peabo Bryson

Ooh, ooh, ooh, girl Here's another morning without you  
Here's another day, will I get through  
Without breaking down Haven't seen the sun since you've been gone  
Like my heart I lost it when you left me  
And it can't be found How can I go on  
Baby, I've been living on memories  
Of you and me  
All the love we made  
All those tender nights  
And those endless days, they're all here inside Baby, can you stop the rain from falling?  
Won't you chase my clouds away?  
I'd give anything to see the sun again  
Only you can stop these tears from falling  
I can't face another day, baby, can you stop  
Can you stop the rain? Oh, oh Everywhere I go I feel you there  
Following my footsteps like a shadow  
Of my broken heart Sometimes it's a pair of passing eyes  
Or it's just the way someone is talking  
And there you are Am I all alone  
Don't you ever wake up and reach for me  
Where I used to be  
Is there any chance  
I just can't believe you're not lonely too  
Just for me and you Baby, can you stop the rain from falling?  
Won't you chase my clouds away?  
I'd give anything to see the sun again  
Only you can stop these tears from falling  
I can't face another day, baby, can you stop  
Can you stop the rain? Oh, oh If you are here for only one night  
Baby, I know you remember  
'Cause loving you once wasn't time enough  
I know we can make it together, together Baby, stop the rain  
Won't you chase my clouds away  
I'd give anything to see the sun again  
Only you can stop these tears of mine from falling  
I can't face another day, baby, can you stop  
Can you, can you stop the rain Can you stop the rain? Yeah  
How can I live without you, baby?  
How can I let you go? Yeah

Chase my clouds away, yeah
