

# Gabrielle

## Attic Lights

I don't mean to be so insolent  
But you know it's 'cause I love you  
The foundation of my malevolence  
You know I'd never hurt you, babe  
    Sometimes, I might get edgy  
But a man can sometimes be that way  
    Nobody's perfect baby  
    And I'll always love you anyway  
        Ohh, Gabrielle  
    The sun is shining in your eyes  
        Ohh, Gabrielle  
    I didn't mean to make you cry  
        Ohh, my sweet baby doll  
    I put you above everything  
        Ohh, Gabrielle  
    I love you till the day I die  
    Sometimes, I feel like my old man  
    You know that's hard for me to say  
    And sometimes I just lose my head  
        Don't know why I get that way  
    I want to keep you happy, darling  
        It could only work out that way  
    Nobody's perfect, baby  
    And I'll always love you anyway  
        Ohh, Gabrielle  
    The sun is shining in your eyes  
        Ohh, Gabrielle  
    I didn't mean to make you cry  
        Ohh, my sweet baby doll  
    I put you above everything  
        Ohh, Gabrielle  
    I love you till the day I die  
        Gabrielle  
    Oh, my, my, my  
        Gabrielle  
    Oh, Gabrielle  
    You know I love you baby  
    I do nothing to hurt you baby  
        But you know

I've got to love you anyway  
Oh, Gabrielle  
You're so nice  
You know, I love you baby  
Oh, my, my, my  
Ohh, Gabrielle  
The sun is shining in your eyes  
Ohh, Gabrielle  
I didn't mean to make you cry  
Ohh, my sweet baby doll  
I put you above everything  
Ohh, Gabrielle  
I love you till the day I die
