Sick Man Of Europe

Cheap Trick

This ain't the new, it's the old generation
It's all real, not a cheap imitation
Everything is good for me now
I don't want to work it all out
All I wanna do is get myself home
I'm a sick man of Europe
I'm a sick man, sick man of Europe
We ain't Haight or the British invasion
This ain't the Nazz, it's self-preservation
I don't want to work it all out
Everything is good for me now
All I want to do is get myself home
I'm a sick man of Europe
I'm a sick man, sick man of Europe
I'm a sick man of Europe
I'm a sick man, sick man of Europe
