

Evil (Is Going On)

Howlin' Wolf

If you're a long way from home
Can't sleep at night
Grab your telephone
Something just ain't right That's evil
Evil is goin' on wrong
I am warning you, brother
You better watch your happy home Well, long way from home and
Can't sleep at all
You know another mule is
Kickin' in your stall That's evil
Evil is goin' on wrong
I am warnin you, brother
You better watch your happy home You better catch him
'Cause somethin' wrong
In your home Well, if ya call her on the telephone and she
Answers awful slow
Grab the first train smokin' if you
Have to hobo That's evil
Evil is goin' on wrong
I am warning you, brother
You better watch your happy home If you make it to your house
Knock on the front door
Run around to the back, you'll catch him
Just before he go And that's evil
Evil is goin' on
I am warnin you, brother
You better watch your happy home
