In Your Shoes

Beverley Knight

What's the sense in all the drama?
Hate is such a waste of time;
I just want to live the good life, the good life
You got your game, I got mineIf I was in your shoes
I would handle my business
If I was in your shoes
Instead of trying to see what mine is
If I was in your shoes
Why don't you sleep at night
Get up and get a life. Of your own?
Why don't you...Get yourself a life and make it work,
Make it work [x4]Well I heard you got a problem
And it starts and ends with me... Well
I don't think I got the answer, the answer
I can't stop your jealousyIf I was in your shoes
I would handle my business
If I was in your shoes
Instead of trying to see what mine is
If I was in your shoes
Why don't you sleep at night
Get up and get a life. Of your own?
Why don't you...Get yourself a life and make it work,
Make it work [x4]I keep it "Superwoman" all the way
I work for everything I got
Oh, I'm just striving every day
And I can't help it if you're not...If I was in your shoes
I would handle my business
If I was in your shoes
Instead of trying to see what mine is
If I was in your shoes
Why don't you sleep at night
Get up and get a life. Of your own?
Why don't you...Get yourself a life and make it work,
Make it work [x4]
