

# Lay Me Down

[Graffiti6](#)

Lay me down  
Close your eyes  
Side by side  
We close our eyes

When I'm tired you lift me, baby  
In the morning time  
When the light gets darker  
It's harder to lift my head up  
Baby, you're the light that's shining through  
And I can see your stars appear

Lay with me  
And I won't speak  
I need no words  
Lay with me  
Take my soul, take my soul  
Let it grow, take my soul

Lay your life  
Lay your love in my hands  
I'll take you home
