Meditation

Shirley Horn

Just for a thrill
You changed the sunshine to rain
Just for a thrill
You filled my heart with painTo me you were my pride and joy
But to you, I was merely a toy
A plaything, that you could toss around at willJust for a thrill
You made my life one sad song
Just for a thrill
You just led me alongAlthough you're free and havin' your fun
To me you're still the only one
Cause you made my heart stand still
Just for a thrillAlthough you're free and havin' your fun
To me you're still the only one
Cause you made my heart stand still
Well, it was just for a thrillAnd baby you, you, made my heart stand still
Just for a thrill
