Snappy

Erasure

Welcome to the world
Free your loving, pleasure of the dance
Free your loving, pleasure of the dance
What you hear, what you hear
What you hear is what you get
Free your loving, pleasure of the dance
Free your loving, pleasure of the dance

What you hear, what you hear
What you hear is what you get
Oh yeah, oh yeah
Free your loving, pleasure of the dance
Free your loving, pleasure of the dance
