

# Return to Paradise

**Ron Goodwin**

Come my love with me  
Across the sea,  
Return to paradise!  
All in life worthwhile  
Is on that isle,  
Return to paradise!

Velvet moon above,  
Evil turns to love,  
Love evermore!

Come with me and find  
Your peace of mind,  
Return to paradise!

Velvet moon above,  
Evil turns to love,  
Love evermore!

Come with me and find  
Your peace of mind,  
Return to paradise!
