

# 'Round Midnight

Bill Evans

It begins to tell 'round midnight  
    'Round midnight  
I do pretty well 'til after sundown  
    Supper time, I'm feeling sad  
But it really gets bad 'round midnight  
Memories always start 'round midnight  
    'Round midnight  
Haven't got the heart to stand those memories  
    When my heart is still with you  
    And old midnight knows it too  
When some quarrel we had needs mending  
    Does it mean that our love is ending?  
    Darling, I need you

Lately I find you're out of my arms  
    And I'm out of my mind  
Let our love take wing some midnight  
    'Round midnight  
Let the angels sing for your returning  
    Let our love be safe and sound  
    When old midnight comes around  
Let our love take wing some midnight  
    'Round midnight  
Let the angels sing for your returning  
    Let our love be safe and sound  
    When old midnight comes around
