

# Holy Grail

Jay-Z

You'd take the clothes off my back, and I'd let you  
You'd steal the food right out my mouth  
And I'd watch you eat it, I still don't know why  
Why I love you so much, oh  
You curse my name  
In spite, to put me to shame  
Air all my laundry in the streets  
Dirty or clean  
Give it up for fame  
But I still don't know why (Don't know why)  
Why I love it so much, yeah And baby  
It's amazing I'm in this maze with you  
I just can't crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here, one day you there  
One day you care, you're so unfair  
Sipping from the cup 'till it runneth over, Holy Grail Uh, Blue told me to remind you niggas  
Uh, fuck that shit y'all talkin' about, I'm the nigga  
Uh, caught up in all these lights and cameras  
Uh, but look what that shit did to Hammer  
Uh, goddammit I like it  
The bright lights is enticing  
But look what it did to Tyson  
All that money in one night  
30 mill for one fight  
But soon as all the money blows  
All the pigeons take flight  
Fuck the fame, keep cheatin' on me  
What I do, I took her back, fool me twice that's my bad  
I can't even blame her for that  
'Nough to make me wanna murder, Momma please just get my bail  
I know nobody to blame  
Kurt Cobain, I did it to myself uh And we all just entertainers  
And we're stupid, and contagious  
Know we all just entertainers And baby  
It's amazing I'm in this maze with you  
I just can't crack your code  
One day you screaming you love me loud

The next day you're so cold  
One day you here, one day you there  
One day you care, you're so unfair  
Sipping from the cup 'till it runneth over, Holy Grail Now I got tattoos on my body  
Psycho bitches in my lobby  
I got haters in the paper, photo shoots with paparazzi  
Can't even take my daughter for a walk  
See them by the corner store  
I feel like I'm cornered off  
Enough is enough, I'm calling this off  
Who the fuck I'm kidding though?  
I'm getting high, sittin' low  
Sliding by in that big body  
Curtains all in my window  
This fame hurt but this chain works  
I think back you asked the same person  
If this is all you had to deal with  
Nigga deal with it, this shit ain't work, this light work  
Camera snapping, my eyes hurt  
Niggas dying back where I was birthed  
Fuck your iris and the IRS  
Get the hell up off of your high horse  
You got the shit that niggas die for  
Dry yours, why you mad take the good with the bad  
Don't throw that baby out with that bath water you're still alive  
Still that nigga nigga, you survived  
You still getting bigger nigga living the life  
Vanilla wafers in a villa, illest nigga alive  
Michael Jackson thriller And baby  
It's amazing I'm in this maze with you  
I just can't crack the code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here, one day you there  
One day you care, you're so unfair  
Sipping from your cup 'till it runneth over, Holy Grail You get the air of my lungs, whenever you need it  
And you take, the blade right out my heart  
Just so you can watch me bleeding, I still don't know why (Don't know why)  
Why I love you so much  
Yeah  
And you play this game, in spite, to drive me insane  
I got it tattooed on my sleeve forever in ink, with guess who's name  
But I still don't know why  
Why I love you so much  
Yeah And baby

It's amazing I'm in this maze with you  
I just can't crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here, one day you there  
One day you care, you're so unfair  
Sipping from your cup 'till it runneth over, Holy Grail  
Don't know why
