Non Existant Nothing (Au Debut) [feat. Nonex]

Sash!

In the beginning there was a non existant nothing.
Au debut.
In the beginning there was a non existant nothing.
Au debut, a non existant.
You wanted a second try?
In the beginning there was a non existant nothing.
Au debut, a non existant.
You wanted a second try?
Au debut, a non existant.
In the beginning there was a non existant nothing.
