

# Island Living

## Cloud Control

Tired of giving  
Tired of?  
I'm tired of living  
Give it up There are things in this world  
Better laughs unknown, yeah  
There are things in this world  
Where the truth could hurt you I'm tired of nothing  
I'm tired of cut your hair  
I'm tired of waiting?  
There are things in this world  
Better? unknown, yeah  
There are things in this world  
Where the truth could hurt you
