

Song for Emma

[Joe Walsh](#)

There's a feeling I get
When I look to the sky
As if someone is watching
Someone hears every word We are filled with regrets
It was such a short time
But we told Him we loved you
Hoping somehow He heard
We hoped He heard You were with us for a while
And He took you
And He made your mama cry
I can see it in her eyes
There's a question as to why? And after all this time
Still I find that I'm without an answer
Goodbye
Bye love
