

# Caledonia

## Robin Trower

Caledonia, Caledonia,  
Seein' you walk by.  
Make a river twist and shout,  
Chase the birds down from the sky.Caledonia, who could own ya?  
Spirit of romance.  
Caledonia, Caledonia dance.Caledonia, Caledonia  
You tempt a devils greed.  
Make an angel lose its wings  
make a fool right outta me.Caledonia,who could own ya?  
Spirit of romance.  
Caledonia, Oh Caledonia dance.Caledonia, Caledonia  
Ya make my senses fly  
Give me reason to believe  
And I don't wonder why.Caledonia,who could own ya?  
Spirit of romance.  
Caledonia, ohhh Caledonia dance.Caledonia, Caledonia  
Yeah,satisfy my soul.  
Caledonia, Caledonia  
Well,ohhh, groove me slow.Caledonia, Caledonia.....
