

# The Kingdom

## Icehouse

One of those days  
That just comes and goes  
It's not so specialShe watches the birds  
Shat rest on a ledge  
Outside her roomThe wallpaper old and faded  
A crack in the window pane  
The radio just keeps playing  
Playing that same old songShe smiles to herself  
They think that I'm strange  
They say I'm a dreamerBut I don't complain  
Though I don't have much  
To call my ownShe's not a movie star, no  
She's not a beauty queen  
She'll tell you it doesn't matter  
She's not the only oneShe says, "I know a place  
Where I keep the best of things  
I'm not gonna wait  
For my piece of heaven""And where there's a road  
Leads to the promised land  
I just turn the key  
Key to the kingdom"She stares at the page  
Of a new magazine  
The morning papersShe walks into town  
And catches a show  
If she can find the timeShe's not a movie star, no  
She's not a beauty queen  
She'll tell you it doesn't matter  
She's not the only oneShe says, "I know a place  
Where I keep the best of things  
I'm not gonna wait  
For my piece of heaven""And where there's a road  
Leads to the promised land  
I just turn the key  
Key to the kingdom"I know a place  
Where I keep the best of things  
I'm not gonna wait  
For my piece of heavenWhere there's a road  
It leads to the promised land  
I just turn the key

Key to the kingdom I know a place  
Where I keep the best of things  
I'm not gonna wait  
For my piece of heaven And where there's a road  
Leads to the promised land  
I just turn the key  
Key to the kingdom I know a place  
Where I keep the best of things  
I'm not gonna wait  
For my piece of heaven Where there's a road  
It leads to the promised land  
I just turn the key  
Key to the kingdom
