

# Like a Road

**Jerry Garcia Band**

When the road gets too long  
And you run all out of song  
And the pain gets too much  
For you to bear Turn around, turn around  
Turn around, and I'll be there  
Like a road, like a road  
Leading home When the gray clouds start to blow  
And you need some place to go  
When you want some company  
That really cares Turn around, turn around  
Turn around, and I'll be there  
Like a road, like a road  
Leading home When the [rain] is past and gone  
And the road you're travelling on  
Doesn't seem to be going  
Anywhere Turn around, turn around  
Turn around, and I'll be there  
Like a road, like a road  
Leading home Like a road, like a road  
Leading home When the road gets too long  
And you run all out of song  
And your pain gets too much  
For you to bear Turn around, turn around  
Turn around, and I'll be there  
Like a road, like a road  
Leading home Like a road, like a road  
Leading home
