

I Wish I Was Sober (feat. Mike McCready)

Frightened Rabbit

Fall prey to the blizzard head
 Wrapped my hand around the glass again
 We all thought that I might change as I got older
 Fell down and nothing bled
 Wrapped in cotton alcohol again
 To the hill hear from the prick upon my shoulder
 Free pour the fruitless thoughts
 It's far too late to talk so much but
 Still not giving up though
 I wish that I was sober
 Forgive me I can't speak straight
 Forgive me I can't
 Forgive me it's far too late
 Choke down the gateway drug
 Opened the gates, in came the flood, it comes
 Like a blush of love, it hits me without warning
 Long nights of getting lost
 I walk beneath the bridge I don't know
 I need black suit for tomorrow, I'm in mourning
 My love you should know
 The best of me left hours ago so
 Shove it right into my mouth and let me smolder
 Fallout and the damage done
 I can't un-sing the things I've sung
 Still not giving up though
 I wish that I was sober
 Forgive me I can't speak straight
 Forgive me I can't
 Forgive me it's far too late
 Oh come and shake me till I'm dry
 Oh I wish that I was sober
 Oh come to me and kill the night off
 I wish that I was sober
 Oh come and shake me till I'm dry
 Oh I wish that I was sober
 Oh come to me and kill the night off
 I wish that I was sober
