Me & You

Mila J

Just me and you, nobody gon' break this up, this magic
My nigga, my babe, nobody comes before me and you
Numero uno, you know my baby
What had these bitches off you lately?
Never expected for shit to be perfect with you
Cause this shit ain't never been perfect with you
It's crazy how my flaws made me so perfect for you
You were meant for me and I'm for you baby
Cause all I need is me and you
Oh no no no no no no
Just me and you babe
Just me and you babe
Oh no no no no no no
Just us two babe
Just us two babe
Oh no no no no no no
Just me and you babe
Just me and you babe
Oh no no no no no no
Just us two babe
Just us two babe
I know you want it, yeah yeah
When you see us on the 'Gram, taking pictures with my man
I know you want it, oh no no
Can't you had just what we have, making all your bitches mad
We pull and then wait, just hop out together
Nothing but just spending time with you
We turn up, we turning, we sexing good
I fuck with my girls but it's you I trust
I trust you with everything
We take our own vows, we don't need a ring
No only conditions
We got something differentOh no no no no no no
Just me and you babe
Just me and you babe
Oh no no no no no no
Just us two babe
Just us two babe
Oh no no no no no no

Just me and you babe
Just me and you babe
Oh no no no no no no
Just us two babe
Just us two babe
