

Wild World

Me First and the Gimme Gimmes

Now that I've lost everything to you
You say you wanna start something new
And it's breaking my heart that you're leaving
Baby, I'm grievingBut if you wanna leave, take good care
Hope you have a lot of nice things to wear
But then a lot of nice things turn bad out thereOoh baby, baby, it's a wild world
It's hard to get by just upon a smile, girl
Ooh baby, baby, it's a wild world
I'll always remember you just like a child, girlYou know I've seen a lot of what the world can do
And it's breaking my heart in two
Because I never wanna see you a sad girl
Don't be a bad girlBut if you wanna leave, take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad and bewareOoh baby, baby, it's a wild world
It's hard to get by just upon a smile, girl
Ooh baby, baby, it's a wild world
I'll always remember you just like a child, girlBaby, baby, I love you
But if you wanna leave take good care
Hope you make a lot of nice friends out there
But just remember there's a lot of bad and beware, yeahOoh baby, baby, it's a wild world
It's hard to get by just upon a smile, girl
Ooh baby, baby, it's a wild world
I'll always remember you just like a child, girl, yeah
