Toothgrinder

I try hard
I try hardOh my love, my failing soul
I dreamed you're mine
Oh tell me something I don't know
I try so hard
Oh baby won't you light my mood
I changed your mind
Oh you're the crack through my skin
Ooh, but your mind
I sing it with soul, can't get in the mood
Just like you want it all
It's rock 'n roll, it's only water fallingI try hard
I try hardOoh won't you clear my wall
I changed your mind
Oooh, who's the saddest of them all?
I changed your mindSaying it was all, tatted and more
Just like you wanted it all
It's like you all, it's a mere waterfallI try hard
I try hard
Drag your legs across my, raw cleavage
You will godforesaken fall out
Reactions in fallSaying it was all, tatted and more
Just like you wanted it all
It's rock 'n roll, it's only waterfall
