

Secret

The Sweetest Condition

Hey, let me tell you a secret.
I've been watching you for quite some time.
Why do you hide in the shadows?
Do you feel safer when you're hard to find? I've been here for so long waiting for you.
Thought you were alone, but you always knew.
I was right beside you. I've been here for so long waiting for you.
Thought you were alone, but you always knew.
I was right beside you. Hey, can you keep a secret?
I've been following you all this time.
Why, do you run from your shadow?
Don't be worried, now, 'cause you're
all mine. (You're mine. You're mine, all mine!) You want me to love you?
Want me to love you?
'Cause I do, I do, I do, I do! You want me to love you?
Want me to love you?
'Cause I do. I'd do
anything for you! Oh, little boy.
Come out and play.
Praying to the light
won't save you. I make the rules.
Time to obey. ... I
get what I want.
You can't run away.
(You can't run away!) I've been here for so long waiting for you.
Thought you were alone, but you always knew.
I was right beside you. I've been here for so long waiting for you.
Thought you were alone, but you always knew.
I was right beside you. I can't help but fall for you lately.
You and me, we've got to be ready.
Take my hand, 'cause nobody's looking
into the shadows where I'm hiding.
