Life imitates the game of chess  
You can be the rook or the pawn  
But if you have the strategy that's best  
You can be the king or in this case the don  
It's easy to get knocked out of the game  
Depending on which way you want to play  
You've got to have eyes in the back of your head  
Now that we have that out of the way  
Rev up the Lincoln  
And lets get to drinking some caffeo  
Lets go to Niccolletis  
'Cause he makes a mean spaghetti sauce  
I'm a connoisseur of the finer things in life  
I'll take any flick with Al Pacino  
I'm a man of respect and I prefer to be addressed as Padrino  
If you're the type that likes to spill the beans  
You could be a stone in someone's shoe  
You'll receive a kiss on each cheek  
And then you'll know that pretty soon the stone will be removed  
Everyone knows that crime doesn't pay  
It doesn't pay the taxes anyway  
You've got to be slick if you don't want to stick  
Now that we have that out of the way  
Rev up the Lincoln  
And lets get to drinking some caffeo  
Lets go to Niccolletis  
'Cause he makes a mean spaghetti sauce  
I'm a connoisseur of the finer things in life  
I'll take any flick with Al Pacino  
I'm a man of respect and I prefer to be addressed as Padrino  
I know it's not a wise thing to do  
Writing funny songs about the mob  
But if it's all the same to you  
I don't see it as a gang but a club  
Where men sit like gentlemen, plotting their events about  
Things I shouldn't understand comprehend or care  
Like, oh, I don't know maybe I shouldn't go there  
After all it is a family affair  
Stay out of the papers

Don't get caught  
Leave the singing to Sinatra  
And always keep your big trap shut  
Capice?  
The underworld is like an undertow if you don't respect it  
It will surely bring you down when you least expect it  
Hey, expect it from all sides, once you're in it, it's for life  
Don't be famous, be infamous, and you will live to see another day  
Be wise about with whom you discuss  
Now that we have that out of the way  
Rev up the Lincoln  
And lets get to drinking some caffeino  
Lets go to Nicolletis  
'Cause he makes a mean spaghetti sauce  
I'm a connoisseur of the finer things in life  
I'll take any flick with Al Pacino  
I'm a man of respect and I prefer to be addressed as Padrino  
I'm a man of respect and I prefer to be addressed as Padrino  
I'm a man of respect and I prefer to be addressed as Padrino
