

# Listen to Me

## The Design

You're coming home tomorrow and I could not be happier  
With all the things we've talked of doing  
I know your heart is worth pursuing  
You'll be waiting for me just like I've waited for you  
Do you still look the same as you did when you got on that plane?  
Let's take a big leap  
Jump over the noise  
Listen to me  
Listen to my voice  
Oh oh oh oh  
I really hope it works out  
Sharing a bedroom  
And sharing a bathroom with you  
And I hope my mood  
It don't change your point of view  
Let's take a big leap  
Jump over the noise  
Listen to me  
Listen to my voice  
Oh oh oh oh  
I'll be on the road, and no, you can't tag along  
I'll be coming home  
Listen to this song  
Listen to me  
I won't forget you and I'll really miss you  
No matter what I do I'll be right beside you  
Oh oh oh oh
