

# If That Were Me

[Melanie C](#)

Where did they go and what did they do?  
They're walking on by, they're looking at you  
Some people stop, some people stare  
But would they help you and do they care? How did you fall? Did you fall at all?  
Are you happy when you are  
Sleeping underneath the stars?  
When it's cold, is it your hope that keeps you warm? A spare bit of change is all that I give  
How is that gonna help when you've got nowhere to live?  
Some turn away so they don't see  
I bet you'd look if that were me How did you fall? Did you fall at all?  
Is it lonely where you are  
Sleeping in between parked cars?  
When it thunders, where do you hide from the storm? Could you ever forgive my self pity  
When you've got nothing and you're living on the streets of the city?  
I couldn't live without my phone  
But you don't even have a home How did we fall? Can we get up at all?  
Are we happy where we are  
On our lonely little star?  
When it's cold, is it your hope that keeps you warm? Where did they go and what did they do?  
They're walking on by, they're looking at you  
They're walking on by, they're looking at you
