Interested in Music

Adam Green

Are you interested in music?
and you like to walk in town?
you're known to act average
but on weekends you act out
Do you live in San Diego?
and you like to laugh at jokes
Do you dabble in pop culture?
and your parents have a child
and your parents have a child
I am interested in music
and I like to walk in town
I'm known to act average
but on weekends I act out
We all live in San Diego
and we like to laugh at jokes
We dabble in pop culture
and our parents have a child
and our parents have a child
