

# Gotta Do

Colton Ford

I don?t know what everyone?s thinking  
Sailing a ship that?s slowly been sinking  
Trying to control what I do and get in the way of what I?m groovin?  
Everywhere they?re telling me do this, do that, change this  
What?s up with that?  
Can?t take it no more, baby, I gotta do my own thing

I don?t care what they say, it don?t matter, I don?t mean  
I can?t take it, I?m hatin? it, baby, c?mon  
I am staying true doing what I?ve gotta do, baby, I gotta do  
I don?t care what they think, it don?t matter what I mean  
I ain?t faking it, baby, it?s on  
I am staying true doing what I?ve gotta do, baby, I gotta do

All I know is that I?ve been thinking  
I?ve been talking, commiserating over this game that ain?t worth playing  
Losing yourself for something shady  
One of these days, we?ll get back to it, feeling it, ridin? it, breakin? right through it  
This fight it ain?t for nothing, that?s why I do my own thing

I don?t care what they say, it don?t matter, I don?t mean  
I can?t take it, I?m hatin? it, baby, c?mon  
I am staying true doing what I?ve gotta do, baby, I gotta do  
I don?t care what they think, it don?t matter what I mean  
I ain?t faking it, baby, it?s on  
I am staying true doing what I?ve gotta do, baby, I gotta do

I?ve gotta do it for myself  
I can?t take care of no one else  
?Cause if I do then I won?t give you all of me  
So I do, gotta do what I do, gotta do

I do, gotta do, gotta do
