

# Slave Me

## Scorpions

Yeah yeah yeah  
Yeah yeah yeah

Life's a kind of struggle  
Living in this town  
I'm never looking back no  
Just ahead  
My mind was locked up in a cage  
Always ready to break out  
Those heavy chains on me drive me mad

I want to be in love tonight  
I want to get you when I got you  
Give me just one night  
I want to be your love tonight  
Slave me

Power's one that matters  
Only one of us can survive  
Tell me if your strong enough to stay on track  
Will I die and go to heaven  
If life was living hell  
All I know is that I'm always coming back

I want to be in love tonight  
I want to get you when I got you  
Give me just one night  
I want to be your love tonight  
Slave me  
Slave me

Shake me  
Bake me  
Break me  
Take me where the sun don't shine

Cruise me  
Choose me  
Use me  
Bruise me

Make me lose my mind

I want to be in love tonight

Yeah yeah

Mamama, mamama, mamama, mamama

Slave me

Yeah yeah yeah

I want to be in love tonight

I want to get you when I got you

Give me just one night

I want to be your love tonight

Slave me

Yeah yeah yeah

Come on and slave me
