Woman

Brother Cane

I used to know better
Now I don't know what's worse
Having it all maybe
Or having nothing for sureShoot for the moon
Getting lost in the clouds
I'd like to land but I
Can't see where I'm coming downMy baby
Do you understand
What I'm going through?
Oh, my babySearchin' my soul
And the answer's the same
I'm in control but I
Don't know the rules of the gameOne step ahead
We take two steps back
I get the picture but it's
Always fading to blackMy baby
Do you understand
What I'm going through?
Oh, my baby, oh, oh, ohWell, searchin' my soul
And the answer's the same
I'm in control but I
Don't know the rules of the gameOne step ahead
I take two steps back
I get the picture but it's
Always fading to black
Yes, always fading to blackWoman keep me warm
Woman keep me warm
Caught in this chain and it's all the same
Woman keep me warmWoman keep me warm
Woman keep me warm
Woman keep me warm
Woman keep me warm
We're caught in this chain and it's all the same
Woman keep me warm
