

# Woman

## Brother Cane

I used to know better  
Now I don't know what's worse  
Having it all maybe  
Or having nothing for sureShoot for the moon  
Getting lost in the clouds  
I'd like to land but I  
Can't see where I'm coming downMy baby  
Do you understand  
What I'm going through?  
Oh, my babySearchin' my soul  
And the answer's the same  
I'm in control but I  
Don't know the rules of the gameOne step ahead  
We take two steps back  
I get the picture but it's  
Always fading to blackMy baby  
Do you understand  
What I'm going through?  
Oh, my baby, oh, oh, ohWell, searchin' my soul  
And the answer's the same  
I'm in control but I  
Don't know the rules of the gameOne step ahead  
I take two steps back  
I get the picture but it's  
Always fading to black  
Yes, always fading to blackWoman keep me warm  
Woman keep me warm  
Caught in this chain and it's all the same  
Woman keep me warmWoman keep me warm  
Woman keep me warm  
Woman keep me warm  
Woman keep me warm  
We're caught in this chain and it's all the same  
Woman keep me warm
