

Tomorrow Never Dies

[Sheryl Crow](#)

Darlin' I'm killed
I'm in a puddle on the floor
Waiting for you
To return Oh, what a thrill
Facinations galore
How you tease
How you leave me to burn It's so deadly my dear
The power of loving you near Until the day
Until the world falls away
Until you say, there'll be no more goodbyes
I see it in your eyes
Tomorrow never dies Darling you've won
It's no fun
Martinis, girls and guns
It's murder on our love affair 'Cause you bet your life
Every night
While you're chasing the morning light
You're not the only spy out there It's so deadly my dear
The power of wanting you near Until the day
Until the world falls away
Until you say, there'll be no more goodbyes
I see it in your eyes
Tomorrow never dies Until the day
Until the world falls away
Until you say, there'll be no more goodbyes
I see it in your eyes Until the day
Until the day
Until the day
