That's How...

D12

(Niggaz, nigga, niggaz, crackers, whiteys, Jews)
This is how it happens to you
That's how people get fucked up
(Niggaz, crackers, whiteys, Jews)
This is how it happens to you
That's how people get fucked up
Yo, if you a loudmouth, tryin' to wild out
And we see just how you layin'
And we peeped yo' style out
When you chillin' out in front of your truck and get stuck
That's how niggaz get fucked up
No love at home with your kinfolk
And the world just keep fuckin' with your mental
And all these kids makin' fun of your trench coat
That's how students get shot up
Hatin' on us but you come to our show
I crowd surf and you let me go
Whup yo' ass when I get off the flo', just so you know, doe
That's how haters get fucked up
When the police pull you over and shit
Then find ganja, now every month they checkin' on yo' piss
They gettin' mad 'cuz you ain't come back since
And now they sweatin' you
That's how P.O.'s get fucked up
When your mans hook you up with a bitch over the phone
And when you see her she ugly as shit
Now at the end of date she want a kiss and some dick
That's how blind dates get fucked up
Sayin' we not a real crew with a lot of skill
And only one nigga in our crew make the dollar bills
Y'all fools just mad 'cause y'all ain't got a deal
Local rappers talk too much
We gon' rob this bank but you roll with punks
Manager tripped the alarm and you all get stuck
Cops got AKs, y'all only got pumps, that shit's just dumb
That's how Cousey got locked up
When yo' ass wanna walk in a club
Instead of tellin' you to wait, the nigga wanna push and shove
Then get trampled from the niggaz you brung, so move over

That's how bouncers get fucked up
(Niggaz, crackers, whiteys, Jews)
This is how it happens to you
That's how people get fucked up
(Niggaz, crackers, whiteys, Jews)
This is how it happens to you
That's how people get fucked up
When you get your guns out of the stash
And gather all your homies up to go and shoot up a pad
Soon as you finish y'all run out of gas, you better haul ass
That's how drivebys get fucked up
Mixin' weed with the brew, ecstasy and Kahlua
Gasoline fumes, nitrous balloons
Acid tablets and the magic mushrooms
That's how D-12 get fucked up
Hey, I like your records but my album ain't dropped
Dr. Dre's my favorite, bitch, get off his jock
Got a backstage pass and I need to get off
Wanna meet da D Doc
That's how groupies get tossed up
Drop out of school, take drugs and molest sluts
Got your girlfriend suckin' on my left nut
Your parents don't like me, but guess what?
'Cause Bizarre don't give a fuck
Chokin' your wife all in front of your peeps
She toss a brick through the window of your Jeep
Get back together by the end of the week, that's so sweet
Slim and Kim argue too much
Invite a hoe to your house while your bitch is out
Now you got your dick all up in her fuckin' mouth
Pull it out and then you bust off on her favorite blouse
That's how Clinton got caught up
Steal cars, wreck bars, get fucked up beyond recognition
Walk in tipsy clubs like we stars
Our mission every day is just to smoke bongs
And fuck bitches in thongs
That's how Runyan Ave. is cut
When your life wasn't raised up right
Then see your mother comin' home
With different niggaz every night
And then you run into the one you don't like
So get the fuck lost
That's how step-dads get fucked up
(Niggaz, crackers, whiteys, Jews)
This is how it happens to you

That's how people get fucked up
(Niggaz, crackers, whiteys, Jews)
This is how it happens to you
That's how people get fucked up
(Niggaz, crackers, whiteys, Jews)
This is how it happens to you
That's how people get fucked up
(Niggaz, crackers, whiteys, Jews)
This is how it happens to you
That's how people get fucked up
